The benefits payable to the Directors have been reviewed by the Remuneration Committee and the Board of Directors of the Company, which recognises that the benefits payable are in the best interest of the Company and in accordance with the remuneration framework of the Company and its group of companies.

**Explanatory Notes to Special Business:**

- Ordinary Resolution 7: Authority to allot and issue shares in general pursuant to Sections 75 and 76 of the Companies Act 2016; and waiver of pre-emptive rights over new ordinary shares or other convertible securities in the Company under Section 85(1) of the Companies Act 2016 read together with Clause 65 of the Company's Constitution**

The proposed Ordinary Resolution 7 is a renewal of general authority given to the Directors of the Company to allot and issue shares as approved by the shareholders at the 21<sup>st</sup> AGM on 30 June 2021 ("Previous Mandate").

As at the date of this Notice, the Company has allotted and issued 48,551,861 new ordinary shares and raised total proceeds of approximately RM17.0 million pursuant to the Previous Mandate which will lapse at the conclusion of this AGM. Please refer to the additional compliance information as disclosed in the Annual Report 2022 for the details of the utilisation of proceeds.

The proposed Ordinary Resolution 7, if passed, will renew the general mandate given to the Directors of the Company to allot ordinary shares of the Company from time to time and expand the mandate to grant rights to subscribe for shares in the Company, convert any security into shares in the Company, or allot shares under an agreement or option or offer, provided that the aggregate number of shares issued and allotted, to be subscribed under any rights granted, to be issued from the conversion of any security, or to be issued and allotted under an agreement or option or offer, pursuant to this resolution does not exceed 10% of the total number of issued shares of the Company for the time being ("Renewed General Mandate"). In computing the aforesaid 10% limit, shares issued or agreed to be issued or subscribed pursuant to the approval of shareholders in a general meeting where precise terms and conditions are approved shall not be counted. The Renewed General Mandate, unless revoked or varied at a general meeting, will expire at the conclusion of the next AGM of the Company.

The Renewed General Mandate will enable the Directors to allot and issue ordinary shares at any time up to an amount not exceeding 10% of the total number of issued shares of the Company for the time being without convening a general meeting which will be both time and cost consuming. The mandate will provide flexibility to the Company for any possible fund raising activities, including but not limited to the placement of shares for the purpose of funding future investment project(s), working capital and/or acquisitions.

Please refer to Section 85(1) of the Companies Act 2016 and Clause 65 of the Company's Constitution as detailed below.

Section 85(1) of the Companies Act 2016 provides as follows:

"85. Pre-emptive rights to new shares

- Subject to the constitution, where a company issues shares which rank equally to existing shares as to voting or distribution rights, those shares shall first be offered to the holders of existing shares in a manner which would, if the offer were accepted, maintain the relative voting and distribution rights of those shareholders."

Clause 65 of the Company's Constitution provides as follows:

"65. Unless otherwise determined by the Company in general meeting any original shares or securities for the time being unissued and not allotted as provided in this Constitution and any new shares or securities from time to time to be created shall, before they are issued, be offered to the members in proportion, as nearly as may be, to the number of shares or securities held by them. Such offer shall be made by notice specifying the number of shares or securities offered, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time on the receipt of an intimation from the person to whom the offer is made that he declines to accept the shares or securities offered, the Directors may dispose of the same in such manner as they think fit most beneficial to the Company. The Directors may, in like manner dispose of any such new or original shares or securities as aforesaid, which, by reason of the proportion borne by them to the number of persons entitled to such offer as aforesaid, or by reason of any other difficulty in apportioning the same, cannot in the opinion of the Directors be conveniently offered in manner herein before provided."

In order for the Directors to issue any new Shares or other convertible securities free of pre-emptive rights, such pre-emptive rights must be waived. The proposed Ordinary Resolution 7, if passed, will exclude your pre-emptive rights over all new shares, options over or grant of new shares or any other convertible securities in the Company and/or any new shares to be issued pursuant to such options, grants or other convertible securities under the authority to Directors to allot shares.

- Ordinary Resolution 8: Proposed Renewal of Share Buy-Back Authority**

The proposed Ordinary Resolution 8, if passed, will empower the Company to purchase its own ordinary shares of up to ten percent (10%) of the Company's total number of issued shares at any time within the time period stipulated in the Listing Requirements. This authority, unless renewed or revoked or varied by the Company at a general meeting, will expire at the conclusion of the next AGM of the Company or the expiration of the period within the next AGM after that date is required by law to be held, whichever occurs first. Please refer to the Statement in relation to the Proposed Renewal of Share Buy-Back Authority dated 28 October 2022 in the Annual Report for more information.
